WHAT OTHERS ARE SAYING

Mr. Calin is very innovative and works hard at staying current in his field of expertise. A fine person, a friendly colleague, a particularly competent engineer, a reliable team player.

Sorin G., Director of R&D Romedex Int.

Augustin is a great asset for any IT company, bringing a tremendous value through his experience, skills and dedication.

Liviu F., Engagement Manager Microsoft Romania

Thank you very much for implementing the new fields and for the change. It is greatly appreciated.

H. Thorsten, business client

Special thanks to gusti for digging in medieval parts of our applications.

C.B., colleague

Gusti! Thanks for that, I believe you did great!

Tomas W., team leader

I see, you know :D you are the best

Andrzej W., web support engineer

Did I told you today you are one of the best?

V.J., support team

Thanks for helping me with that issue on Web Support! This is a sign of appreciation (he gave me a beer as a present)

Lukas M., colleague

...truly open minded and committed to his work. Very reliable and open to new ideas and technologies

Cosmin U., colleague
